Summary

Computer Science Engineering student with hands-on experience in building scalable full-stack applications using **React.js** and **Spring Boot**. Skilled in **DevOps**, including **Docker**, **Git**, and **AWS**, and strong programming ability in **Java** and **C**. Passionate about problem-solving and developing efficient solutions in collaborative, real-world environments.

Technical Skills

Programming Languages: C, Java, HTML, CSS, JavaScript
Web Development: React.js, Vite (Frontend), Spring Boot, Node.js
Cloud & DevOps: AWS, Docker, Jenkins, Git
Operating Systems: Linux (Red Hat), Windows
Database: SQL, MySQL
Core CS: Data Structures and Algorithms (C/Java)
Tools & Platforms: Power BI, LaTeX

Projects

ApnaRide – Professional Ride Sharing Application   *March 2025 – Present*

- Developed a full-stack multi-role ride-sharing platform using React 19 and Spring Boot 3.2.5.
- Implemented secure authentication with JWT and RBAC.
- Integrated real-time GPS tracking and ride matching using Leaflet + OpenStreetMap.
- Built an Admin Portal for analytics, driver approval, and fare management.
- Deployed using AWS and Docker for scalable production architecture.

Online Shopping Application   *February 2025 – March 2025*

- Built a full e-commerce platform using React.js and Spring Boot.
- Implemented authentication, product catalog, cart, payments, and Admin Dashboard.
- Setup CI/CD pipelines using Jenkins, Docker, and AWS EC2.
- Designed a responsive UI with reusable components.

Education

KL University   *Aug 2023 – Present*
Bachelor of Technology (CSE)   CGPA: 9.16/10

Sri Chaitanya College of Education   *June 2021 – May 2023*
Intermediate (MPC)   84%

DE PAUL High School   *June 2020 – May 2021*
Secondary School Certificate (SSC)

Certifications

- Oracle Cloud Infrastructure 2025 Certified Developer Professional (Oct 2025)
- Oracle Cloud Infrastructure 2025 Certified Architect Associate (Oct 2025)
- Aviatrix Certified Engineer (ACE) – Multicloud Network Associate (Oct 2025)
- Salesforce AI Associate (Oct 2024)
- Cambridge English Written Linguistic Skill Exam

Soft Skills

Analytical Thinking, Problem Solving, Teamwork, Communication, Leadership

Languages

Urdu: Native   Telugu: Native
English: Fluent   Hindi: Conversational
